#### **6. Planning**

##### **1. Application No: PL/2021/06919 To ratify comment and submit by 10<sup>th</sup> Sept 2021**

###### **Application Type: Full planning permission**

Proposal: The installation of a solar farm comprising an array of ground mounted solar PV panels with associated infrastructure including housing for inverters, transformers and electrical equipment, a substation compound, as well as fencing, security cameras, access tracks, associated landscaping and cabling for grid route of approx. 7.9 kilometres in length. The export capacity of the Development would not exceed 49.9 MW. The solar farm site extends to an area of approximately 72.81 ha with approximately 19.78 ha in Wiltshire and 53.03 ha in Cotswold District in Gloucestershire. The proposed grid route is wholly located within Cotswold District. Site Address: Agricultural land to the northwest of Kemble Wick village approximately 900 m southwest of Kemble (the solar site).
