## **8.1 Street naming – The Ridgeway development**

Suggestions street naming, from resident:-

Dear Lisa,

You asked for names for the new development. I was thinking that since it will be next to what was the Primitive Methodist Chapel, it could be called "Chapel Way", or something similar.

## **9. Reports on continuing activity and items for decision**

From resident:

**Weed treatment of Swill Brook**

Please could the Council confirm that under no circumstances will any weed control be carried out in the Swill Brook, with glyphosate or any other herbicide, without the prior agreement by the Environment Agency. If any treatment is approved, please could appropriate warning notices be used to protect dogs and other animals.

### **Traffic speed in Crudwell**

Please could Council consider setting up a neighbourhood speed monitoring facility on the A429, in conjunction with Wiltshire Police. I would be happy to help arrange this and sit on any committee. I have had a number of occasions in recent months when vehicles have either overtaken me when I have been driving at 30mph, or seriously scared me and my dogs when walking along The Street.
