CPC/25/045 Flooding

The member of the public requested confirmation of the follow-up to the landowners responsibility letters which have been sent out. Crudwell Parish Council advised 1 month and they will also be considering contacting residents who have watercourses on their property. The template letter used from Wiltshire Council would be the first of 3 separate communications. Cllr Berry will liaise with D Everett of Wiltshire Council during his proposed visit re areas of concern.

The resident queried whether a section of waste land on Tetbury Lane which is covered in brambles can be cleared by a working party. It was confirmed that the land has no official ownership and it also has a dew pond. It is thought that there may be contaminates on the land and therefore caution is advised.

The member of the public left the meeting at 7.17 p.m.

(1) Response to agree - local land owners correspondence riparian responsibilities. It was agreed to respond to the land owner that the letter was a template provided by Wiltshire Council and that we do appreciate efforts made in a proactive approach to mitigate flooding.

(2) Flood signs - storage arrangements to be agreed. It was agreed Cllr Warner will store one sign for use around Pettifers Hotel and Cllr Doel will store the remaining X3. Storage arrangement will be communicated to the flood action group FLAG so they are aware and can access the signs.

(3) Additional gel sacks. Cllr Doel will count the number of gel sacks in storage and this will be reviewed at the next meeting.

(4) To note any update on Drainage Engineer D Everett visit to Crudwell. We await confirmation of the date of visit. **(6) To consider purchase of gauge board.** Quote received from the Flood Action Group, it was agreed an additional quote for a measuring device will be obtained by Cllr Gilchriest for consideration at the next meeting.

Cllr Gilchriest will progress chase contractor re silt removal.

12 items requested by Flood Action Group have been forwarded to Wiltshire Council for action and this will be followed up for progress report.

2038 Neighbourhood Plan Review

- Nine residents have so far responded to our Neighbourhood Plan bulletin (re the council's proposed Neighbourhood Planning approach to the impact of the new Government housing targets. This requires 39 additional homes in Crudwell by 2038. The comments page remains open until March 30th on <https://www.my-crudwell.org> and has been further advertised in the latest What's On In Crudwell. All comments will be responded to individually and findings summarised at next month's Parish Council meeting.
- Detailed maps and plans of the potential sites have been commissioned which will be included in policies in order that these can be subjected to Strategic Environmental Assessment. The plans required, which have now been delivered by G Pakeman Technical Designs includes Carpenters Yard (15), land behind Chapel Way (25), the two business parks at Kemble and the Northern Glebelands by Crudwell school. Wiltshire Council Spatial Planning provided the technical data needed to complete the maps.
- Wiltshire Council Highways have requested a detailed plan of the of the proposed parking facility and safe school access scheme in the northern Glebelands to confirm viability. The parish council has obtained quotations and it is recommended to G Pakeman Technical designs. It is recommended that the Council should consider funding this from CIL funds.
- Work has now commenced on the required Crudwell Design Code, following a tour of the village by the commissioned AECOM architectural consultants in Feb 25. A presentation of the proposed themes and contents of the design code will be exhibited for review during April 2025. Details will follow shortly..
- Regulation 14, with all policies and draft documentation in the Plan will take place later this year following the SEA Screening and assessment.
- The Neighbourhood Plan remains within allocated budget.
